

Hike Weekend Kit List

Troop Scarf to make us identifiable
Walking Boots
Trainers (absolutely not for walking in though)
Walking socks
Waterproof jacket
Waterproof trousers or gaiters (optional)
Scout Activity trousers or shorts or equivalent
Minimal wash kit (e.g. soap, washcloth, hand towel, toothbrush, toothpaste) (roll-on deodorant if they're trying to impress someone)
Plate, bowl, cup, knife, fork, spoon (all unbreakable)
Torch & spare batteries (make sure it works before leaving home)
Warm jumper/fleece
Something to act as a base layer (e.g. cotton t-shirt)
Double up on some of these as changes of clothes
Sleeping bag
Roll mat
Basic First Aid Kit
2 Litre Water-bottle
Hat, gloves & scarf
A bag to put it all in (I recommend a 55 to 65 litre rucksack. Anything else is too small/big/unsuitable)

Bag Packing Tip: Make packing easier by rolling the clothes instead of folding them.

Hiking Tip: No bag is completely waterproof. Pack the gear into builders' rubble sacks and that will make a big difference if it pours down. Any other bag, e.g. bin bag, is far too thin.

ALL ITEMS SHOULD BE CLEARLY LABELLED WITH THE SCOUTS' NAME

The following items are NOT allowed on camp as they could get damaged or lost:

- Radios
- Electronic games
- Mobile phones

The Scout Leaders accept no responsibility for any lost, stolen or damaged items on camp.

PLEASE MAKE SURE THAT YOU PACK YOUR WET WEATHER GEAR AT THE TOP OF YOUR RUCKSACK JUST IN CASE IT STARTS TO RAIN

BAG PACKING IS NOT MEANT TO BE DONE BY PARENTS!
